Beer Scoring

Many thanks to all CAMRA members who have been scoring their beers recently. It helps us to monitor pubs so please score the beers you drink whether they be good, mediocre or poor. Beer scoring is easy to do via the pub's CAMRA website entry - [click here](#) for an example! If you have a smart phone you can score while you drink. If not, you can do it from home later. Your beer scores help us to discover which pubs are serving the best beer and also helps in selecting candidates for the Good Beer Guide. CAMRA's website can also be used to give us feedback on pubs. If you spot that the pub description is inaccurate or the opening hours are wrong, click on "Suggest an edit" and let us know.

Elysian Winter Beer Festival 2027
